

Dear President Donald Trump;

I oppose “Red Flag” gun confiscation and Universal Gun Registration.

If passed and signed into law, the national “Red Flag” gun confiscation scheme would result in SWAT teams across America raiding the homes of law-abiding gun owners with ex parte orders to seize legal firearms, all because someone anonymously accuses them of being “crazy.”

Universal Gun Registration puts every law-abiding gun buyer into a massive government database, and turns law-abiding citizens into felons if they want to sell a gun to a relative or friend without government permission.

I respectfully urge you to publicly oppose and promise to VETO any gun control bills that make it to your desk. The National Association for Gun Rights will keep me informed of your actions.
